Hello Bulldog Families,

I want to share that we will be holding our Annual Meeting and Budget Hearing on Monday, October 29, 2020, beginning at 6:00 p.m. We encourage all district citizens to attend and be part of our proceedings. Your understanding of our current status, as well as receiving your feedback are important components of our success.

We have nearly completed MAP testing and PALS testing of our students. We will use this data to help formulate individualized instruction, as well as support the development of our district and school goals. If you wish to see your child's performance on these assessments, please contact your child's teacher. We encourage families to be part of the assessment discussion.

We continue to practice our COVID-19 risk reduction measures here at Washington Caldwell. Our collaborative efforts have proven to be successful in reducing the risk of transmission. Thank you to all of our families for your support of our Board approved plan and practices.

Sincerely,
Kevin
