Washington-Caldwell Students Declare War on Leukemia and Lymphoma Until March 18th

The 2020 penny war is starting at Washington-Caldwell. Students and parents are donating money to the Leukemia and Lymphoma Society in an effort to help families who have been touched by either of these diseases.

Each class has a bucket to raise money. These buckets are kept on the Penny Wagon and each morning kids have an opportunity to put money in their class's bucket, or "attack" another class's bucket. Pennies increase a class's penny total, and silver coins and bills decrease from the total.

Classes have two ways to win: most total pennies or most total money. Each winning class will receive a pizza lunch purchased by the Washington-Caldwell chapter of the National Junior Honor Society.

Mrs. McGrath's Necessary News:

Background Checks. Our school board has a policy regarding background checks for volunteers who chaperone field trips, as well as volunteers who serve as a coach or advisor for an activity here at school. The policy affects field trips taken this spring. For your information, all district employees go through a background check prior to final approval for hiring.

100% is the goal for Parent-Teacher Conferences. Parent-Teacher Conferences will be held on Wednesday February 26 from 4:00-8:00 p.m. and on Thursday February 27 from 3:00-8:00 p.m. All elementary parents have a scheduled twenty-minute conference in their child's classroom. Middle school parents participate in a one-hour block of time in the gym. Parents are able to walk around the gym during their scheduled time and meet with the teachers of students. Grades 3 – 5 will hold their conferences in the Library. Please make sure you attend! Conferences are a wonderful way to work together as a team with your teacher on behalf of your child. The link was sent out last week. Please make sure you sign up for a spot. We would love to have 100% participation.

School Board Meeting: On Monday evening February 17, the regularly scheduled monthly meeting of the Washington-Caldwell School Board will take place at 6:30 p.m. in our library. Please attend!

GO BULLDOGS!

Washington Caldwell is Very Special

This is my 24th year working at Washington Caldwell. Over the years, I have had the privilege to work with many talented educators and support staff. I have been able to watch Washington evolve into what it is today. I have seen firsthand, educators and parents working as a team to help school children grow and succeed. Washington-Caldwell is phenomenal! Why? The reason is simple: ALL of you. Our students, parents, staff, and school board work together with one goal in mind: the success of each and every student at W-C. The dedication is evident in so many ways here at school. I can't say enough about the quality school Washington Caldwell is. I want to thank you for all you do. You are the very best! I couldn't imagine being anywhere else!!!! I love the BULLDOGS!
